<b>General Notes:</b> Unless the context indicates otherwise, 'road reserve' includes a roadway, sidewalk, footway and verge. If Witzenberg Municipality incurs any costs resulting from work in or use of the road reserve, including remedying substandard or non-compliant reinstatement, repairing damage, 3rd party claims, or cleaning the site, the Guarantee is offset against such actual costs plus 20% administration, including VAT thereon. The Municipality will refund the balance, if any. The roadway open trench fee is for the increased maintenance and reconstruction costs and inherent degradation of the roadway caused by roadway trenching and applies even if the trench is reinstated in compliance with the Municipality's requirements and standards. All internal Departments or State Funded Projects (National or Provincial), where the infrastructure will be taken over by Witzenberg Municipality, will be exempted from paying the Administrative & Supervision Fee, Refundable Deposits, Non-refundable Payments and/or Penalties.

		<b>6.4.2.5 Temporary connection</b>								
		Temporary connections are supplied at the tariffs mentioned in 4.2.4 for a single phase connection, and at actual cost for a three phase connection. The cost or tariff payment is deemed as a deposit. On termination of the account, the deposit is refunded after the cost of consumption, any damage to the equipment, and a 20 % administrative charge have been recovered. The connection is supplied in accordance with the Municipality's Electricity by-laws, as amended.
